DIVORCE MEDIATION | 2018

Intensive 5-Day Course | 40-hours

Learn the techniques to develop a reputation for skilled, cost-efficient resolution of client problems

About the course

With the formal introduction of Court-Annexed Mediation, it is in the interest of attorneys to familiarise themselves with the process and techniques of mediation. This 5-day course deals specifically with divorce mediation. Divorce mediation requires attorneys who are personable and articulate and who have good listening skills. For effective mediation, it is also advantageous if the attorney has practical experience in working with divorcing couples.

Whether you wish to practise as a mediator or be in a position to advise your clients or represent them at mediations, you will benefit greatly from attending the course.
